WaterSense Labeled Toilet Rebate Application Multi-Family/Commercial January through December 2022

Rebate Availability

Rebates are available only for EXISTING multi-family or commercial buildings located in Davis, Morgan, Summit or Weber Counties. Weber Basin Water Conservancy District (WBWCD) rebate program may be subject to change or modification at any time. Replacement toilet must be new, must be purchased and installed prior to submitting a rebate application and must have been purchased and installed in 2022. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate. **Multi-family/Commercial rebates must be pre-approved by WBWCD.**

Rebate Qualification

This program offers a rebate for the replacement of older (pre-1994) model toilets with a WaterSense labeled low flow or high efficiency toilet. A list of toilets which qualify for the rebate can be found on the EPA's WaterSense website: <http://www.epa.gov/watersense>. Although due to national plumbing codes, all toilets purchased today are 1.6 gal. flush or less. This program will run through 2022 or until funds are depleted, whichever occurs first.

For information on WaterSense toilets visit: <http://www.epa.gov/WaterSense/products/toilets.html>

The list of approved toilets are found at: http://www.epa.gov/WaterSense/product_search.html?Category=2

WBWCD is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and for fixtures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Rebate Limitations and Limitation of damages

Payment of the rebate by WBWCD does not warrant the performance of qualifying/installed replacement toilet and does not guarantee any specified amount of water or cost savings. The customer shall independently evaluate any information related to the qualifying toilet.

Application Instructions:

1. For Commercial and Multi-Family units, **pre-approval is needed prior to purchasing and installing qualified toilets.** Request a pre-approval by calling David at (801)-771-1677. If needed a meeting can be scheduled to discuss large quantities of toilets. Pre-approval will ensure funding is still available and allow the District to keep better track of total funding requested for larger installation projects. **Applications not pre-approved will be denied.**
2. Purchase and install qualified WaterSense labeled toilets. Submit the approved application and all supporting documentation in the following checklist:
 - Dated Sales Receipt or invoice which clearly details the following:
 - Retailer/Contractor name and address
 - Item number/model of the WaterSense Labeled toilet(s)
 - Signed application with all the information provided
3. Contractors may do the application for property owner/manager, but rebate checks will only be issued to property owners.
4. Review and sign the application.
5. For tax reasons, the District requires W9 tax forms attached or we will be required to withdraw taxes from the rebate amount. Please call our office if you have questions about this form.
6. The entire completed application should be scanned and emailed as a pdf file to drice@weberbasin.com
7. If email isn't an option, you may mail the application and supporting materials to:
 - Weber Basin Water
 - WaterSense Labeled Toilet Replacement Rebates
 - 2837 E. Highway 193
 - Layton UT 84040

Allow up to eight (8) weeks from receipt of complete application submission to receive your rebate.

I hereby certify that all information is accurate, including claims of customer and equipment information. I have read all terms and conditions on this form and acknowledge that WCWCD may verify all information provided. I understand and agree that the water utility account for the property listed on page 1 may be monitored by WDWCD for the sole purpose of evaluating prior and post rebate water use in order to determine the effectiveness of the program.
