

WEBER BASIN WATER CONSERVANCY DISTRICT

RIGHT-OF-WAY LANDSCAPE MAINTENANCE WORKER

Seasonal (generally Apr-Oct)

Non-exempt/hourly

Salary \$12-\$13 DOE

M-F 7:00am – 3:30pm

JOB SUMMARY

Under immediate supervision of the Right-of-Way Crew Chief, the Seasonal Maintenance Worker position performs a variety of unskilled and semi-skilled labor in routine maintenance and repair of the District's facilities, infrastructure, and right-of-ways.

As part of the Seasonal Right-of-Way Crew, this position performs a variety of vegetation management practices and processes on District owned properties and corridors. As a critical member of the Right of Way Division, this position will work outside during the summer months and coordinate with the other Right of Way Division team members on a routine basis. Many of our seasonal employees return each year because they enjoy the work and the crew they work with.

ESSENTIAL JOB FUNCTIONS (Not necessarily a comprehensive list.)

- Operate light equipment such as lawn mowers, pick-ups, weed trimmers, tree trimmers, and various hand and power tools as needed.
- Maintain right-of-ways, landscaping, and hauling debris to the landfill.

OTHER JOB FUNCTIONS (Not necessarily a comprehensive list.)

- May occasionally apply herbicides using a backpack sprayer.
- Performs special projects or related duties and responsibilities as required.
- Performs other duties as assigned.

NOTE: These duties are subject to change depending on District needs and the individual in this position may be required to perform other job duties. Any of the herein stated requirements and conditions are subject to approval and/or waiver by the General Manager. The regular work schedule is subject to change depending on the District needs.

MINIMUM QUALIFICATIONS (The education and experience requirements for this job may be satisfied by any acceptable equivalent combination of education and experience.)

Education: High school graduation or equivalent is required with completed courses in mechanical, industrial arts or general vocational education preferred.

Experience: Prior experience is not required although related experience will be factored in during the candidate review and hiring process.

Knowledge: Basic knowledge of the types and uses of common hand tools, materials and equipment used in general maintenance, construction, repair and laboring work. Should be familiar with basic safety practices.

Abilities: Ability to learn the methods, materials and equipment necessary to perform manual labor in all weather conditions; ability to lift at least 50 pounds; ability to perform manual labor for several hours at a time; ability to learn more completely basic safety practices and procedures; ability to follow instructions; ability to work effectively with other District personnel.

Other Qualifications: Must be at least 18 years old. Must have and maintain a valid driver's license and an acceptable driving record per District policy.

WORKING CONDITIONS

While performing the duties of this job, the employee regularly works in outside weather conditions.
